

Significant Other Survey

The person who gave you this survey has asked that you complete a questionnaire for him or her and return it directly to Tim Judge at the University of Florida in the attached postage paid envelope. This questionnaire is confidential; we are the only ones who will see the surveys and we will keep them in the strictest confidence.

PLEASE COMPLETE THIS QUESTIONNAIRE AS YOU IMAGINE THE PERSON WHO GAVE IT TO YOU WOULD. Do NOT respond for yourself. That is, you are supposed to think of how the other person would answer. We are interested in your perceptions of the other person's beliefs and feelings. Please do not consult with the other person about his or her responses. Be open and candid with your answers.

We sincerely appreciate your cooperation in this important research study. Thanks in advance for your time and effort. If you have any concerns, please email one of us (see below).

Timothy Judge, Professor, University of Florida (email: hrstudy@nersp.nerdc.ufl.edu)
Amy Kristof-Brown, Assistant Professor, University of Iowa (amy-kristof-brown@uiowa.edu)
